Name : *Jidnyesh Tushar Chaudhari*
Email : *jidnyeshtc23@gmail.com*
Phone no : *8010143760*

Highest Education :

(2024-2026) - D Y Patil Institute of Masters of Computer Application Pune, Maharashtra
Masters of Computer Application - 7.4 SGPA

(2021-2024) Sir Parshurambhau College Pune, Maharashtra
Bachelor of Computer Science. - 7.6 CGPA

(2020 - 2021)Tarapur Vidya Mandir Mumbai, Maharashtra
HSC - 82 %

Technical Skills :

Basic: *SQL, MongoDB*
Intermediate: *Java, Javascript, Bootstrap, Tailwind, React, Express, Node*
Skilled: *Git, github, gitlab*

Project Details :

AI-Powered Code Inspector - April 2025
Github link
- *Built an intelligent code analysis tool using **React JS, Express JS**, and **Google Gemini API** to identify issues in user-submitted code.*
- *Integrated AI capabilities to provide **automated bug detection, fix suggestions, and code optimization tips**.*
- *Delivered an intuitive, developer-friendly UI with real-time feedback and seamless user experience.*

Live Weather Search Application - December 2024
Github link
- *Created a dynamic weather app using **React JS** and the **OpenWeatherMap API** to fetch real-time data.*
- *Enabled users to search weather details by city, showing temperature, humidity, and live updates.*
- *Designed a clean, responsive interface for smooth performance across devices.*

Online Food Ordering Website - March 2024
Github link
- *Developed a fully functional platform using **Bootstrap, PHP, and MySQL** for customers and restaurants.*
- *Enabled seamless **order placement, tracking, and menu management** from both user and admin sides.*
- *Implemented a user-friendly design with clear navigation for an efficient food ordering experience.*
